

As we celebrate the 20th anniversary of National Men's Health Week, we are reminded of how far our country has come in improving the health and well-being of men and boys, but there is still a lot of work left to be done. We also recognize the importance of these efforts as a way of reducing overall health care costs as part of a plan to address the country's fiscal challenges. Mr. Speaker, this week, along with the entire month of June, Men's Health Month, provides an excellent opportunity to focus on ways that we and our loved ones can live healthier, longer lives.

IN HONOR OF GUADALUPE LOPEZ

**HON. ANN KIRKPATRICK**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 17, 2014*

Mrs. KIRKPATRICK. Mr. Speaker, it is with great pride that I recognize the life and service

of Guadalupe Lopez: veteran of the 158th Infantry Regiment of the Arizona National Guard, recipient of the Silver Star Medal, and my constituent.

Mr. Lopez served his country bravely during World War II in the 158th Infantry Regiment of the Arizona National Guard, better known as the "Bushmasters". The Bushmasters, whose nickname comes from a deadly jungle snake, have a distinguished history that stretches over a hundred years, both in Arizona and throughout the world. They are known for their expertise in jungle warfare and skill in knife fighting and hand-to-hand combat techniques. General MacArthur himself extolled the Bushmasters: "No greater fighting combat team has ever deployed for battle".

Mr. Lopez was drafted in 1940, and in 1941 was sent to Panama for jungle training and to protect the Panama Canal. Between 1942–1945, his company regiment was sent to battle in Australia, the Netherlands, New Guinea, and the Philippines. Mr. Lopez was released from service in 1945, after his brother was killed in the war.

Mr. Lopez is an American hero, and we are proud to call him an Arizonan.

Cuidado, Mr. Lopez.

ONEGIFT INCORPORATED OF MORRISTOWN 25TH ANNIVERSARY

**HON. RODNEY P. FRELINGHUYSEN**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 17, 2014*

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to honor OneGift Inc., located in the Town of Morristown, County of Morris, New Jersey, as it celebrates its 25th Anniversary.

OneGift was founded in 1988 by Leigh S. Porges and Anne DeLaney, and is dedicated to the memory of their mothers, Carol G. Simon and Ruth Ann DeLaney. The nonprofit organization helps adults who have been diagnosed with cancer to fulfill wishes that they might not be able to achieve on their own. Dedicated volunteers encourage positive thinking and help cancer patients focus their energy on getting better. They work closely with patients, families, and friends to create a memorable, worry-free experience for those who could not otherwise afford it.

Over the last 25 years, OneGift has created over 3500 experiences for adult cancer patients, their families, and their friends. The types of wish requests that OneGift receives vary greatly. Some ask for a vacation to a place they have never been, or a place they have not seen in years. Others ask for a family reunion or a trip into New York City to see their favorite Broadway play. Whatever the wish is, OneGift strives to make that wish into a reality.

OneGift has helped many cancer patients across New Jersey. OneGift caters to eight area hospitals: Clara Maass Medical Center, Morristown Hospital, Newark Beth Israel Medical Center, Overlook Hospital, Saint Barnabas Medical Center in Livingston, St. Joseph's Regional Medical Center, Somerset Medical Center, and Trinitas Regional Medical Center.

OneGift's volunteers work long and hard to make sure that every detail of the wish is addressed so that the patients won't have any worry or stress. All donations go straight to

helping a patient receive the best trip or experience possible.

As it celebrates its 25th Anniversary, OneGift Inc. continues to help adult cancer patients fulfill their wishes as they endure their battle with cancer.

Mr. Speaker, I ask you and my colleagues to join me in congratulating OneGift, its staff, and volunteers, as they celebrate their 25th Anniversary.

RECOGNIZING FOSTER FARMS

**HON. JIM COSTA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 17, 2014*

Mr. COSTA. Mr. Speaker, I rise today along with my colleagues, Mr. DENHAM and Mr. VALADAO to honor Foster Farms, a poultry company with 75 years of business experience in California's Central Valley. Foster Farms is not only a significant employer in the community but also a national leader in high quality poultry production.

Foster Farms was founded in 1939 by Max and Verda Foster, a couple who dreamed of selling better, safer farm products to consumers. By taking out a small loan the young couple invested in an 80-acre farm near Modesto, California, and their business quickly grew. The Foster's commitment to raising high quality poultry led to their purchase of a feed mill in 1950. By 1959, Max and Verda added a processing plant in nearby Livingston.

The expansion of Foster Farms continued into the 1960s when the company consolidated its corporate headquarters in the small Central California town of Livingston, where it still resides today. Increasing demand for fresh poultry led Foster Farms to continue its expansion into southern California. By 1973, consumers across the state from Del Norte County to San Diego could access Foster Farms' high quality fresh poultry.

Today, Foster Farms poultry operation employs more than 12,000 hardworking Americans. The company has sales in excess of \$2 billion, and their profits have made possible significant financial contributions to agricultural education in the State of California. Foster Farms has given grants to UC Davis, Fresno State, and California Polytechnic State University. Foster Farms' efforts have been recognized throughout the State's educational system. The company's Chief Executive Officer, Ron Foster, was awarded the Distinguished Service Award for 15 years of leadership as an educational advisor, fundraiser, benefactor, and collaborator.

Since 2005, Foster Farms has consistently received the highest animal welfare ratings from various independent auditors. In 2013, Foster Farms became the first major poultry producer to be certified by the American Humane Association, which is the nation's first national humane organization for children and animals. The company continued to demonstrate their appreciation for high quality chicken through their "Say No to Plumping" campaign, which began in 2009. Thanks in large part to Foster Farms, plumping is no longer found in retailers on the West Coast.

Mr. Speaker, it is with great respect that I ask my colleagues in the U.S. House of Representatives to join Mr. DENHAM, Mr. VALADAO,
